Deadlines & Review Process

Abstracts of each paper (200 words) should be received by **APRIL 16, 2010**, at RCI headquarters. The RCI Building Envelope Symposium Committee will review abstracts, and authors will be notified regarding acceptance of abstracts by **MAY 3, 2010**. If accepted, Papers should be received at RCI headquarters by **JULY 9, 2010**, for peer review by the RCI Building Envelope Symposium Committee.

Publication Rights

Papers and abstracts accepted for presentation may subsequently be published in RCI publications. RCI reserves the right of first publication of all submitted materials accepted for presentation at any event sponsored by RCI and maintains the copyright thereafter. All submitted abstracts and papers must be original to the author and not previously published or presented, nor scheduled for publication or presentation in any other publication or venue. Exceptions may be granted at the discretion of RCI.

Author Instructions

Contact the RCI headquarters for a copy of the *Abstract Submittal Form* and *RCI Guidelines for Presentations*, complete directions on formatting, and acceptable formats for abstracts and papers. A topic description must be provided addressing the speaker's subject knowledge and the level of knowledge that will be presented to the attendee, (i.e., beginner, intermediate or advanced).

For further information regarding the process for abstract and paper submittal:
