To reduce its carbon footprint and increase its portability, the *RCI International Directory of Members* is a CD-based rather than a hard-copy publication. The *Directory* serves as each member's personal handbook of RCI member services.

Advertising will be accepted on only four panels; that means major impact when members receive this handy RCI publication. RCI's 2,500 members will receive a CD packaged in a six-panel CD mailer/case. An additional 1,000 copies will be distributed at RCI events and industry trade shows. Circulation 3,500.
