FOR IMMEDIATE RELEASE

William Myers – Director of Marketing Communications

November 15, 2011

Call for Abstracts and Event Dates Announced for RCI's 2012 Symposium on Building Envelope Technology

Raleigh, NC – Building designers, facility managers and construction professionals will want to be in attendance at the RCI 2012 Symposium on Building Envelope Technology, October 22-23, at the Sheraton Phoenix Downtown Hotel in Phoenix, Arizona.

The two-day program will feature 12 different educational sessions presented by leading building envelope designers. Speakers will offer experience-based insights for specification of sound, durable building exteriors. Most programs will focus on repair and sustainable design methods for strengthening and improving existing exterior envelopes.

Leading building envelope product manufacturers will be present with displays of the latest products and services. Over 300 building envelope professionals are expected to attend.

The Building Envelope Committee is seeking abstracts for consideration for the 2012 Symposium on Building Envelope Technology. Potential presenters should submit their abstracts by April 30, 2012. For more information, visit www.rci-online.org/symposium.html or call 800-828-1902.

RCI is an international association of professional consultants, architects, and engineers who specialize in the specification and design of roofing, waterproofing, and exterior wall systems. RCI regularly hosts education programs designed to demystify and explain the application of roofing, waterproofing, and exterior wall technologies. For more information about RCI, visit www.rci-online.org or call 800-828-1902.
